

School District #8 Kootenay Lake Acknowledges Reconciliation Week 2024

SD8 Kootenay Lake is committed to the shared journey of Reconciliation. The hope for this week is a full district, full classroom engagement and learning on the topic of Reconciliation, to fully honour the National Day of Truth and Reconciliation, Residential School Survivors, and those children who did not return home. Below is a starting point to be shared with all staff in the district, with compiled resources to support this important week.

The National Centre for Truth & Reconciliation is offering a number of virtual teachings during this week, for educators. [Please find information here.](#)
