It was shared that in the IEC we will not use the word consultation.
 - a. IEC priorities for SD8 Aboriginal Education Program

Discussion took place around the importance of individuals in the SD8 Aboriginal Education Program, teachers and SD8 staff having cultural safety training, and the potential to bring this forward as a professional development opportunity.

Discussion took place around the importance of continuing relationship building between Yaqan Nukiy School and SD8 schools. It would be beneficial for the district to understand what Chief and Council are responsible for as well as culture practices of Lower Kootenay Band. The importance of inclusion was discussed.

b. IEC priorities for incorporating Indigenous knowledge, history, and culture into schools

Discussion took place around the importance of authentic knowledge and resources being provided in schools. Discussion took place around the importance of ensuring that student voice is heard.

Suggestions provided:

- Opportunities for Yaqan Nukiy School to visit district schools to develop this relationship.
- Education at SD8 about Yaqan Nukiy School
- Sports/Tournaments between Yaqan Nukiy School and SD8 schools.
- Administration/Teachers to visit Yaqan Nukiy school.
- SD attending Yaqan Nukiy feasts
- Partnership meeting with Band, Social workers, Police, Ministry of Children, Families and district.
- Days on the land
- Elders day for relationship building.

It was stated that if IEC members have any further suggestions – please send them to the Chair, Vice-Chair and Director Carriere.

Discussion took place around the importance of mental health for priority students and ensuring that a social emotional lens is being used at all times. Education around these complexities is important. Discussion took place around the importance of meeting families where they are at.

c. Review of school Aboriginal Education Action Plans

Director Carriere provided an overview of ABED and school action items that align with SD8 strategic goals and ABED goals. Director Carriere provided an overview of school ABED actions plans. Director Carriere shared that Indigenizing the Curriculum teaching takes place in all classrooms by all teachers, not only by ABED staff.

Discussion took place around why some students may be opting out of the ABED program. Director Carriere provided an overview of ABED celebrations that take place at all schools.

Discussion took place around the fact that targeted funds provide supplemental supports to self-identified students who have parental/guardian permission to opt into the ABED program.

d. Review of Aboriginal Education webpage, resources, blog posts

Director Carriere provided an overview of the ABED webpage. It was outlined that ABED staff share blog posts on the site on a weekly basis from each school.

ABED blog posts can be viewed at <https://aboriginal.sd8.bc.ca/blog>.

Director Carriere provided an overview of the IEC page on the SD8 website.

e. Indigenizing the Curriculum District Professional Learning Day- April 13th, 2026
Director Carriere provided an overview of the SD8 Indigenous Day of Learning, which will take place on April 13, 2026.
Some of the suggestions that came forward for the upcoming ProD day are:

- Teach local culture. Local teachings.
- Students in the district who can share their experience
- Traditional food session/give attendees an overview of traditional foods in the area
- Fish ceremonies that take place in the Kootenays
- Each local First Nation, and the Metis Nation, should be represented on the ProD day.
- Opportunity for district staff to go out to community to learn about the local bands and Metis.
- LKB wetland restoration project.
- Tour of new LKB Band office.
- Share contemporary good work that is taking place now.
- Overview of IEC and how it works.

Discussion took place around ensuring local bands have input in the ProD days and are celebrated. It was suggested that it may be beneficial to have an IEC member on the ProD committee to ensure authentic learning.
